

# REST WELL ABOVE EVERYDAY TROUBLES

# ENJOY BOX SEATS WITH ACCOMMODATION

It is nice to go to a game or a concert, but have you ever enjoyed the drive home after?

Everything goes more smoothly when you are well rested. Stay in Tampere after your event and spend the night at the Topaasi apartments by the Arena. You can visit the Casino downstairs and/or enjoy the broad offering of restaurants while there. All of this in one place.

Our apartments are located on the 14th and 15th floors. You can enjoy a view of Tampere below and have a change go to the Nokia Arena without needing to put on a coat.

Our apartments are fully furnished, including modern AV technology and Wi-Fi. Stay comfortably at apartments with a floor area of approximately 30 m2 in groups of 2 to 4 persons. The apartments are accessed by a Pindora code in your smartphone, email, or text message, which is used to unlock the building and apartment doors. The personal and unique code is sent to you with your booking confirmation. What is best, we will set the table according to your wishes by request. The basic apartment fee includes a simple standard setting that gets you going and lets you enjoy a carefree arrival.

Nokia Arena has been built with the idea that you can stay and enjoy yourself even after the event is over. Several restaurants there will make sure that you will not be hungry or thirsty.

When you are ready to move forward, you can go to bed upstairs or visit the city centre. All services are within walking distance.

Arrival and parking at the Arena:

Nokia Arena is situated in the middle of both Finland and Tampere and is mainly reached by public transport. The distance from the railway station is only 500 metres.

The Aimo Park garage at the Arena offers free parking for the host's 1 or 2 cars; access from Sorinkatu street.

We only need the car registration numbers and everything will be sorted out for you. You may park your cars in any free spots. An elevator or stairwell leads directly from the Aimo Park garage to the front of the Arena next to the apartments.

We will provide you with clear instructions for arrival

Nokia Arena is the newest and most modern entertainment arena in Finland.

## EVENTS WITH THE BEST SEATS

Enjoy the events in our box with seats for 20 persons. There are stand seats available for everyone right in front of the box as well, so you can be in the middle of the match or concert.

It is a wonderful feeling to see the Nokia Arena below you with a full view of all events and a jumbo screen for checking out all the highlights.

Getting to the box is easy: there is a separate box entrance in front of the arena by the main entrance and an elevator and a stairwell right after that will take you to level 6. Our box PH65 is to the front and left just as you exit the elevator.

All doors will open with your box ticket.

NoHo Partners takes care of catering services in the box. You can check your dining options on the [nokiaarena.fi](http://nokiaarena.fi) website. Place the orders for food and drink services easily by email at [aitiopalvelu@noho.fi](mailto:aitiopalvelu@noho.fi), and the hostess taking care of you in the box will offer more simple menu options. A basic offering of drinks is available by default and all drinks are charged based on consumption.

**START THE DAY IN A MEETING.** Our box is well-suited for meetings too, as the novel milieu and Arena atmosphere will get your ideas flowing. You can book a meeting package with us, available between the hours of 8 a.m. and 8 p.m. starting at one hour and all the way to the entire day. NoHo Partners will take care of comprehensive catering for meetings as well.

If there is an event in the evening, a box ticket will be purchased when making the reservation. It will provide access directly into the stands, allowing you to end your meeting with a bang.

We will assist you with all advance reservations, simply contact us and we will take care of it!

Through us, you can book the 20-person box and accommodations all together or separately.

In addition to the box reservation, you will also need an event ticket for each box guest that allows easy access all the way to the box. Simply get the tickets to your guests by e.g. email or let us take care of it for you.

The price of the box ticket is always the same as the ticket price for the cheapest price category for the event.
